*Welcome to October.* It's time to get the fall decorations out of storage, buy pumpkins and don't forget the candy for the Trick or Treaters on Halloween. Don't forget to check out our fall decorated tree in the lobby.

I hope you enjoyed the summer and all the activities at the Senior Center. The *Mocktail and Appetizer* was a wonderful gathering. I couldn't believe all the yummy appetizers our members brought to the party. A big thank you to our bartenders and the volunteers who arranged the event. We had wonderful entertainment from Quincy Lancto. If you missed it, there was a little dancing and our band member Tony stepped in to play his drums for a few songs.

Our Big Bingo is coming up on Sunday, October 22. This is an important fund raiser for us so plan to attend and join in the fun. We are always looking for volunteers to help so think about getting involved and helping.

One newest activity on Fridays is Trivia. Check it out and test your knowledge and memory. There are plans for more presentations in the next few months so check the calendar and plan on participating.

Don't forget to mark your calendars for our annual holiday luncheon on Friday, December 15.

Hope you are enjoying the cooler days of October. See you around the Center.

*Sharon Brzoska, President*

## **SPOTLIGHT ON: UMSSC BOARD MEMBERS**

This monthly Spotlight series will introduce you to our current Executive Board and Board Directors as an opportunity to know them better.

**LEONARD DEBOSE:** Leonard became a member in 2022 and was elected to the Board of Directors not long after.

Upon recovering from a lengthy illness and time spent in the hospital, he decided it was time to get active again. He had worked as a Field Rep Water Inspector for the City of Philadelphia Water Department for 32 years and retired in 1988. He also served in several capacities for the AFSCME Union for 19 years. Leonard and his wife, Florence, have lived in King of Prussia for 24 years. They have 5 children (2 deceased), 9 grandchildren and 8 great-grandchildren. His family lives all across the U.S. He enjoys reading, walking and exercising. He took our Tai Chi course in August and also participated in a Self Defense course at the Community Center. Since he travelled so much for business, his desire to travel now is not great. However, he would like to visit Yosemite National Park. We hope that he gets to travel there one day soon.

**CINDY EASTMAN:** Cindy Eastman is the Vice President on the Board of Directors of UMSSC. She, and her husband

Danny, joined the Senior Center in 2012. Cindy's mother, the late Ruth Shand, was also a member of the Senior Center and served on the Board of Directors. Guess you could say Cindy is following in her mother's footsteps. Cindy loves meeting new people and enjoys quite a few activities at the Center. She enjoys line dance and bingo and likes to encourage others to become members. Cindy is this year's chairperson of the Annual Big Bingo game and volunteers to help out at other special events. Cindy gets satisfaction doing for others and keeping busy. While on a vacation, Cindy was able to overcome her fear of heights by cliff jumping into the Caribbean. It was a 35 -foot cliff - wow! After that you would

probably fear nothing. When not jumping off cliffs, she enjoys a less daring life of reading, walking and getting plenty of exercise. She also enjoys binge watching cable shows like Virgin River and Outlander. One item Cindy cannot live without is her phone. Guess that's true for a lot of us. Her favorite dinner out meal is Filet Oscar, which is filet mignon topped with crabmeat and asparagus and Lemon Drop Martinis. Sounds delicious! Cindy plans one day to visit Narin, Scotland which is the birthplace of her father. Of course, Scotland is a beautiful country and how exciting to be able to visit and meet her extended family and discover the history of her ancestors.

## **DID YOU KNOW? FIRE PREVENTION WEEK IS OCTOBER 8 - 14**

### **SMOKE ALARM IS A LIFE SAVING TOOL!**

Smoke is responsible for three out of four deaths in the United States.

- ✓ Install smoke alarms on every level of your home, and inside of sleeping area.
- ✓ Test every alarm at least once a month. See your instruction book for the location of the test button.
- ✓ Keep smoke alarms dust free.
- ✓ Change the alarm battery twice a year unless the alarm has a 10-year battery.
- ✓ If you have a smoke alarm directly wired into your electrical system, be sure that the little signal light is blinking periodically. This tells you that the alarm is active.
- ✓ Inexpensive smoke alarms are available for the hearing impaired.

## **SMOKE ALARM INSTALLATION HOTLINE: 484-636-3945**

Working smoke alarms save lives! Any Upper Merion Township resident who needs a smoke alarm can call our Smoke Alarm Installation Hotline at 484-636-3945 to request an installation. Once the call is received, and as long as no emergency calls are pending, a member of our Department of Public Safety will schedule an installation with you during business hours, Monday to Friday from 6:00 AM to 6:00 PM.

All smoke alarms are FREE to Township residents. Upper Merion Township has partnered with the American Red Cross on this life-saving initiative.
