How quickly the summer is fading into our memories. I hope you all enjoyed the warmth and beauty of the season. October brings us fall decorations, mums, and pumpkins as the season changes.

One of the many goals as a Senior Center is promoting socialization, an important aspect of maintaining better brain health. Regular conversations and group activities function as a mental workout. It slows cognitive decline and lowers the risk of memory loss and dementia. Connecting with others reduces loneliness and lowers the risk of depression and anxiety. Take advantage of the many activities and events that promote your better health.

Many thanks to Laretta for organizing the General Meeting luncheon last month. The food was excellent and I hope everyone who attended enjoyed their time spent with other members.

There are many activities scheduled in the upcoming months, plan to attend and support the Center. November will be an especially busy month with the Craft Show and Bake Sale, the Veteran's Breakfast, a General Meeting, and our biggest fundraiser – Big Bingo. Volunteers are always needed!

Hope to see you around the Center.

Sharon Brzoska, President

WE CELEBRATE OUR MEMBER OF THE MONTH

Have you met Lucy Damiani? Lucy has been a member of the Senior Center since it was founded in 1997 and housed in the old Gulph Road School on Henderson Road. Lucy and her husband, Tom (*now deceased*) were regulars at the senior center, showing up almost every day to participate in activities and volunteering for special events. As a loyal and faithful member all these years she volunteered to run the Flea Market that used to be held at the Center. This was quite a job as she had to sift through what was brought in and what to charge for the item. When the senior center moved to our new location, Lucy followed. Have you tasted Lucy's pizzelles? They are so good and every so often she will bring in a batch to share. Now a youthful 94 years, Lucy still comes faithfully every Thursday to play her favorite game, BINGO!
